

How to get through getting back to work: tips and guidance for HR professionals

Updated as of 29 June 2020

This webinar focuses on issues that employers are likely to face now that we are entering the recovery phase of the COVID-19 pandemic. Presented by [Rhona Darbyshire](#), [Patrick Glencross](#) and [Mel Stancliffe](#), we will look at the following topics:

- The hidden traps of the new flexible furlough scheme that comes into effect on 1 July 2020
- Managing employees return to the workplace including measures to ensure employees' health and safety in the workplace
- Efficiency planning, redundancies and utilising the ACAS Early Conciliation process as redundant employees seek recourse

Please contact our [Employment team](#) for advice and support on any of these issues or if you have any queries.
